### Alternative Service Concepts, LLC Announces New Florida Account Executive

**Nashville, Tennessee (September 4, 2008)** – Alternative Service Concepts (ASC), a full-service, workers' compensation and property & casualty third party claims administrator, today announced the hiring of Stacy Streinz as an Account Executive.

Ms. Streinz, who had been a Business Analyst at Tropics Software Technologies will service new and existing clients and develop relationships with key agents, brokers and carriers to produce new business growth. ASC, which has a large presence nationally and throughout the Southeast, will expand its business in Florida.

Before joining ASC, Ms. Streinz oversaw Electronic Data Interchange, EDI for Tropics, where she coordinated client interfaces with the state. Prior to Tropics, she worked as Director of Client Management Services for Sarasota-based Unisource Administrators, Inc. Recently, ASC acquired a large book of business from Unisource concentrated in FL, GA and AL. "Stacy brings a wealth of FL claims experience to ASC", stated Glenn Backus, Senior Vice President at ASC. "Her knowledge of the claims business, the industry and her relationships with existing clients is a tremendous plus for ASC. We're very fortunate to have Stacy on our team."

Stacy and her husband live in Nokomis, Florida.

Headquartered in Nashville, Tennessee, Alternative Service Concepts, LLC (ASC) is an integrity-based company delivering workers' compensation and P&C claims management expertise and customized solutions to our partners. With offices located strategically throughout the nation, ASC and its predecessors have provided workers' compensation and property/casualty claims management services for over 30 years. Since its inception, ASC has built a reputation for professionalism, expertise, and efficiency, consistently exceeding client expectations.
